

REAL MADRID FOUNDATION SOCCER CAMP

This year we are incredibly proud to be running the official Real Madrid Foundation Clinic at Box Hill School!

Samiad will be bringing young footballers from all around the world to experience the high-quality and innovative training methods of the "Galacticos", whilst also improving their English language at the same time. We work with the concept of the glorious Real Madrid youth academy - with the application of the latest training material. Our highly qualified coaches analyse the game of our participants, with every participant receiving an individualized scorecard. Also, each participant will also receive a whole Adidas Real Madrid kit, drinking bottle and an Adidas football.
