

# ENGLISH PLUS HORSE-RIDING SPECIALISM

**Samiad's English plus Horse Riding specialism is a great way of combining our English language tuition with professional horse-riding instruction and stable management.**

Whether you own your own horse or pony back at home or you have never ridden before, this specialism caters for every level of ability.

In collaboration with professional equestrian centres, we will make sure that over this 2-week programme students not only improve their

English language and riding ability but will make friends from all over the world.

Samiad students will get to experience many things from grooming and tacking up to show jumping and countryside hacks. Knowledge of all equipment and tack, plus equine anatomy will all be learnt in English.

Safety hats will be provided but if you would like your child to wear a body protector, they will need to bring their own.

## Quick facts:

- Full-board residential campus accommodation
- 15 hours of English language tuition per week
- Structured evening activities
- 4 x 3-hour of Horse Riding and Stable Management per week
- 2 full-day excursions per week
- Rosette on completion of the course
